I am an Australian-based, internationally recognised Director of Photography and Camera Operator, who loves working with other creatives to bring their visions and scripts to life. Collaboration and creativity drive me to achieve the best possible results, and I go above and beyond to get the job done.

I am proficient on all digital camera formats, including the latest cameras from Arri, Sony, Red Canon, Panasonic, Blackmagic and more. My passion and experience are visible in the projects in my portfolio, which include features, drama series, documentaries, shorts, TVCs, TV and commercial content.
