I have worked for over 25 years on film , T.V, and stills sets as a Unit Nurse

I am experienced with babies and children and have a good working relationship with The NSW Office For Children / Childrens Gaurdian

I currently work part-time as a Community Nurse to keep my Nursing skills and legal requirements current.

With previous experience as an assistant director, boom swinger and unit assist. , I am happy to be of assistance to any department on set.

I have a full medical and trauma kit including a wide range of natural therapies .
