Ph 02 9958 1611

I have worked for over 15 years on film , T.V, and stills sets as a unit nurse

I am experienced with babies and children and have a good working relationship with The NSW Office For Children / Childrens Gaurdian

I have a full medical and trauma kit including a wide range of natural therapies , oxygen therapy and resuscitation equipment

With previous experience as an assistant director and video split operator, I am happy to be of assistance to any department on set.
