PROFILE

I have worked in the industry since 2008 where I started in-house at SOMA Films as a Production Assistant. From there I became a freelance Production Coordinator and worked with various clients including Tourism Australia, Expedia, McDonald's, VW, CBA, Telstra and Toyota.

In 2017 I thought I would further challenge myself by becoming a mother. Now I find that I wish to use my brain for things other than remembering the lyrics to all Wiggles songs!

Now that I am returning to work, I'm shifting my focus from Production Coordinator to Crew Nurse. I have completed my St John Ambulance Occupational First Aid Course, Advanced Resuscitation course (including CPR), Covid-19 Infection Control Training, have my Working With Children permit and am in the process of undertaking my AIN (Assisting in Nursing) at TAFE NSW. I have a fully stocked First Aid kit including oxygen and Berocca!

I look forward to the opportunity to work with you soon (and get out of finger painting duty).
